Dear students and parents, Greetings!

It's summertime when faces light up with a grin.As holidays are about to begin It's time for the children to play and enjoy.Free, unbound, high-spirited but safe at home.

Summer Vacation is the best time to explore and create memories and acquire new skills. To create a well rounded holiday experience and engage our young ones in some creative work, we have put together some interesting activities which the children will enjoy doing. We want our children to have a joyful and experiential learning. To ensure that the children have a constructive holiday, homework & projects have been given which will keep the child active and observant. These projects can easily be done by the children and you could assist only where required.

Dear Students hope you are enjoying your summer vacations .Summer break is also the time to unlock the days creatively making the most while at home. So dear students grill up your skills .Learn something new every day . Students of 6th and above are requested to go through the awardees of Padma Bhushan 2023 .Read about them and write about any one awardee who inspires you the most.

Note : In case of any change in your address and contact number .Kindly share your updated details with your class teacher latest by 10th May.

Thanks & Regards
Principal
