Our Martial Arts coach, Ms. Rohini Kalam, brought immense pride to our institution by securing the third position in the Asian Championship for Adults Ju-Jitsu Duo Women.

I proudly share the achievement of our Academic Coordinator Mr Ramkrishna Sharma, he has been conferred with the esteemed Bharat Bhushan Samman this year.

Last year I introduced our young tech graduates as school director and in one year, I am extremely proud and happy to share that Syed Adil Ali is recognized with the prestigious Swami Vivekananda National Directors Award at Education Excellence Conclave.

These honours reflect our commitment to fostering an environment that encourages curiosity, creativity, and the pursuit of excellence.

Conclusion

As we celebrate these achievements, we are reminded that the journey of learning and growth never ends. Today, as we embrace the spirit of sportsmanship on the field, let's remember the words of Babe Ruth: "It's hard to beat a person who never gives up." The values we learn in sports—perseverance, teamwork, resilience—are the same values that will guide us through life's challenges.

In conclusion, let's continue to dream big, work hard, and stay united in our quest for excellence. Thank you to each and every one of you for your support and encouragement.

Together, we will continue to scale new heights and make DWPS Ashta a beacon of excellence.

I will conclude with the line ..

Thank you, and let's enjoy the festivities of our Annual Sports Day!
